**HONEY-CAN-DO IS A MANUFACTURING COMPANY,
SPECIALIZING IN HOME STORAGE AND ORGANIZATION PRODUCTS.**

THE HONEY-CAN-DO PASSION

Managed by consumer-products professionals, Honey-Can-Do quickly responds to your customers' changing needs. We combine our shared expertise in Asian Sourcing and North American Retail Distribution with innovative design, attractive packaging and exceptional customer service to produce the home storage and organization products your customers will love.

LIMITED LIFETIME WARRANTY

Honey-Can-Do manufactures products in Asia utilizing our own facilities, joint partnerships and pre-qualified subcontractors. Using an extensive process, we carefully monitor quality control, safety standards and social compliance. Our quality control methods are based on Six Sigma philosophy and we implement 'right sigma' in accordance with the product requirements. Our time consuming QC methods ensure each product, its packaging, and every shipment is correct. In addition to the QC procedures implemented during the manufacturing process, we employ a team of QC inspectors who scrutinize every order. Reporting to an in-house but independent manager, our inspectors check each shipment from the factory to ensure our high standards are met. Because of these stringent quality control methods, Honey-Can-Do confidently offers a limited lifetime warranty on every product we make.

HONEY-CAN-DO BRAND OR PRIVATE LABEL

Home storage and organization products are available under the Honey-Can-Do label or under your private label. Our team will work with you to develop special items and exclusive colors to fit your needs.
